## About our Master's

Our goal is to enhance the quality of teaching in EFL and bilingual education settings across all educational levels. The Master's program welcomes candidates passionate about this field.

### Characteristics

60 credits --- Blended

- 28 compulsory credits
- 16 optional credits
- 16 credits (Thesis). This can be completed in two modes:
  - Observed Teaching Practice (If you are not an active teacher now)
  - Action-Research Project (if you are teaching)

### Teaching staff

The programme is delivered by specialized teaching staff from the Modern Languages Department together with collaborating teachers.

## Venue

The on-site lessons take place at the historical Faculty of Philology, c/Trinidad, 3, Alcalá de Henares.

Sessions run from 17.30 to 20.30 from Monday to Friday. You can see an example of our timetables on our web.
